Virtual Regional Competitive Events (Middle Level) – General Guidelines

The following regional competition guidelines are being instituted for THIS YEAR ONLY. Due to the unique circumstances of the virtual format this year, Oregon FBLA strives to create an environment for students that increases equity and access as well as provides more opportunity for students to be engaged in FBLA Middle Level.

Participant Eligibility for Region Level Competition

- Each registered member is limited to FOUR events.
- Oregon FBLA will not institute limits to the number of competitors a chapter can register for each competitive event – Chapters can register an unlimited number of members per event.

State Level Qualification / Eligibility

- To qualify to compete at the state level at the State Business Leadership Conference (SBLC), participants do NOT need to place in the top 10 at the regional level. To be eligible to compete at the state level, members need to be registered and have competed at the regional level. Also, there will be no need for "wild cards" at state this year.
- The top 10 winners at the regional level will still be recognized and receive awards.

Guidelines and Format for Virtual Regional Competitions

- For specific guidelines about an FBLA-ML competitive event (components of the event, topics for this year, etc.) refer to the National FBLA-ML Competitive Event Guidelines: https://www.fbla-pbl.org/media/2020-21-FBLA-ML-Competitive-Events-1.pdf
- For specific guidelines about how competitive events will be conducted virtually at the regional level, refer to the additional information provided in this document.

Team Competitions at the Regional Level

- When recording a video as a team, videos will be accepted whether it is recorded virtually (i.e. in Zoom) or in-person (i.e. on-site at school, if allowed)

Tie Breaking Pedagogy

Ties will be broken in the following order:

4. Judges Determination
5. 2. Online Test Result – the last 10 questions, followed by time
6. 3. Pre-Judged Materials

Competitor Conduct

Any participants found to be sharing event topics, scenarios, or test questions with any other person (including guests, advisers, chaperones, members from other schools) will be disqualified from ALL competitions. Depending on the severity, the participant may be removed from the conference or in certain cases the entire chapter may be disqualified from competition.
