Virtual Platforms

- **Technology Fluency Institute** Objective testing is conducted through Technology Fluency Institute (TFI). Advisers will receive an email with their login and password to retrieve logins and passwords for all students. After the winners are announced, advisers can login to see student scores and how students performed on the competencies for each event.
- **Competition Portal** The competition portal will be linked through our website. Through the portal, participants will obtain the information they need to compete.

Event Guidelines

Guidelines for Virtual

- Objective tests must be completed within the testing time limit specified in the national guidelines and no notes, books, references, or study materials may be used during the test.
- Due to our virtual environment, proctors are not required for objective testing; however, each student will be asked to complete the Honor Code document.
