Competitive Events

General Information

Online Submission

Oregon FBLA will continue the process of providing an online form where all pre-judged competitive event materials will be submitted. 3D Animation and Digital Video Production are to be uploaded securely to either YouTube, Vimeo or SchoolTube and marked private (viewable only with link, but not searchable) with the URL submitted during the registration process.

Evaluations, Scoring Sheets, and Tests

Event materials that are able to be returned to chapters/members, including scoring sheets, will be made available on the final morning of the State Business Leadership Conference. No materials will be mailed to chapters following the event as all materials will be available for pickup in person at this time.

Decision of the Judges

All decisions of the panel of judges are final. Procedural issues may be addressed to the Executive Director. Interpretations of rules, procedures, or questions are to be made by the Executive Director or their designee.

Tie Breaking Pedagogy

The national center has developed new rating sheets very similar to those Oregon FBLA has piloted for the last two years. The tie breaking pedagogy for these sheets is listed below.

Ties will be broken in the following order:

1. Judges Determination
2. Online Test Result – the last 10 questions, followed by time
3. Pre Judged Materials

Number of Competitions Allowed Per Competitor

At the state level, FBLA students may compete in up to two qualified events, plus chapter events. Each chapter may have one Parliamentary Procedure team.

At the state level, Middle Level students may compete in up to two, plus the chapter events

On the national level, a FBLA student may compete in one chapter event as well as one individual or team event. If a member is a candidate for National Parliamentarian, they also take the National Parliamentarian selection test. The top four places at SBLC qualify to compete at NLC.

At the national level, a Middle level student may compete in Community Service Project as well as one other individual or team event. Note only first place at SBLC qualifies to compete at NLC for Middle Level.

State Recognition

Up to the top ten (10) competitors, teams, or chapters will be recognized in each event and will receive awards at the State Business Leadership Conference. Please see the details later in this document for additional information.

Cellular Phones

Cellular phones are to be in the off position during competitive event sessions. Competitors whose phones ring or disturb the competition environment may be penalized or disqualified.

Written Event Online Testing

Oregon FBLA will utilize an online delivery system to administer its written, knowledge events. Competitors will be provided with login information and will complete their exams in a locally monitored lab setting at their local school prior to the actual conference.

Competitors WILL NOT be able to change the events they are registered in at the time of testing, but will have access only to those events in which they are pre-registered.

Detailed instructions on registering and administering online testing will be sent to local chapters with the State Business Leadership Conference registration materials.

Method for Breaking Ties

The “Last Ten Question Method” is used in the event there is a tie among written test competitors. The competitor who missed the least amount of questions in the final ten (10) questions will have the tie broken in his/her favor. If a tie remains after reviewing the last ten (10) questions, time used to complete the test will be used to break the tie.

Sequestering for Events

In the performance events, competitors are not sequestered (isolated from other conference attendees and competitors) to allow for maximum participation in all events. This is allowed because Oregon FBLA has always maintained a high level of honor and character among its members. Therefore, any competitors found to be sharing event topics, case studies, judge questions, or test questions with any other person (including guests, advisers, chaperones, members from other schools) will be disqualified from ALL competitions. Depending on the severity, the competitor may be asked to leave the conference or in certain cases the entire chapter may be disqualified from competition.

Observing Performance Events

Final rounds of performance events are open to audience observation where space permits. The conference program will clearly designate which events are open for audience observation. In all cases, competitors actually participating in the event are not allowed to be observers. In addition, seating for observers in most events will be limited. Please be courteous and allow members/advisers from the chapter of the student competing to have a chance to view the performance if desired. No one may enter or leave the performance area while a performance is in progress.

Recording of Presentations

Absolutely no audio or visual recording devices will be allowed in any competitive event.

Equipment

Several events could involve the use of equipment. A projection screen, cart/table, VGA enabled projector, and extension cord if needed will be provided by the state chapter for final round events that are open to audiences. Internet access will be provided for E-Business, Electronic Career Portfolio, and Website Design only. Students in Public Service Announcement, Social Media Strategies or Digital Video Production must have an offline copy of their production available. Laptops/other devices are not provided.

NOTE: Beginning with NLC 2018 no projectors will be utilized in any preliminary event and will only be used for those events at NLC that are open to audiences.

Scheduling Conflicts

In the event a participant has a scheduling conflict with other events, the competitor and his/her adviser must report to the event administrator prior to the start of the event to determine if rescheduling is possible. The ability to re-schedule competitors resides with the event administrator.

Reference Materials

Except where designated in the national handbook, no reference materials are allowed in any competition.

Due Dates

Due dates for materials, registration, etc., are posted in the official Oregon FBLA-PBL Calendar. In most cases these due dates are "receipt dates." **This means that designated materials will be due by close of business (5:00 p.m.) on that date.** Materials received after deadlines will be penalized or disqualified.

Event Verification

A chapter adviser or designee must verify competitors at registration on the first day of the conference. No substitutions or event changes will be permitted at this time, only deletions.

Members may not repeat in an event at the State Business Leadership Conference if they have competed in that particular event at a previous National Leadership Conference. Exceptions to this regulation are as follows:

Qualifying Guidelines

To attend the State Business Leadership Conference

There are up to five different ways a member can qualify to attend the annual State Business Leadership Conference:

Place in an Event at Your Local Regional Skills Conference

Members must choose one event to compete in if they qualify in more than one. This opens the way for others to be able to attend.

Be Involved with a Chapter Project

Those who are involved in the project are eligible to attend even if they did not qualify in an event at the regional skills conference. Chapter Projects include:

- ▽ American Enterprise Project
- ▽ Champion Chapters
- ▽ Community Service Project
- ▽ Partnership with Business
- ▽ Local Chapter Annual Business Report
- ▽ Newsletter (Oregon Only event)
- ▽ Scrapbook (Digital Only) (Oregon Only event)
- ▽ Chapter Website (Oregon Only event)

Be Appointed a “Wild Card”

Two wild cards can be picked per chapter. Wild cards may compete in any individual or team event. For team events, chapters will not be penalized a wild card for substitutions. Wild cards are not allowed in chapter projects—chapters may only submit one entry in chapter projects.

Enter an Event Not Offered at the Regional Conference

Check the table in this handbook to help you see what events are only offered at state. For most of these events, three entries per chapter are allowed.

Attendance Criteria and Eligibility

Meet these Guidelines

Adults

- ▽ There must be ample adult supervision for students in accordance with your chapter policy.
- ▽ Adult advisers may be any adult named by the adviser to serve their chapter in this capacity. They must register for the conference, be willing to help run an event and be in attendance for the entire period of the conference. Adult advisers are required to serve as an event Administrator or Coordinator.
- ▽ Chaperones may be used to help advisers and may be asked to help with competitive events. They are not required to pay for conference registration. If they are unwilling or unable to assist in competitive event operations, they will be required to pay conference registration.
- ▽ Chapter advisers should call special attention to the "Code of Conduct," parent permission, and medical release forms. All forms should be signed by the student and parent and be retained by their adviser. Chapter FBLA advisers will be responsible for the conduct of their chapter delegations.
- ▽ Advisers are responsible for modeling good behavior and the FBLA dress code at the SBLC.

Students

To be eligible to attend the SBLC, each FBLA member must meet the following basic criteria:

- ▽ Be an active member of national and Oregon FBLA.
- ▽ Have the approval of their FBLA chapter adviser.
- ▽ Have the approval of their school administration.
- ▽ Have the approval of their parent (or guardian) unless married or more than 18 years of age.
- ▽ Have on file with the local adviser a completed emergency medical form and a signed Code of Conduct form.
- ▽ All members attending the SBLC must either be a competitor or have a specific purpose for attending the conference.

Administrator of the Year

Without the support of administrators in our schools, districts, and at the state level, it would be impossible for an organization like FBLA to exist, let alone impact the hundreds and thousands of students we touch year in and year out. Administrators provide funding, permission, logistics, and support—most often behind the scenes and without any fanfare or acknowledgment. This recognition provides local chapters with the opportunity to identify and quantify the support they receive from special administrators and to say thank you.

Eligibility

Nominations may come from local chapter advisers, FBLA members, Professional Division Members, and alumni. When nomination forms are received in the state office, the nominees may be contacted by the state office for further information.

Nomination forms must be uploaded via the online submission process in PDF format no later than the close of business on the date given on the official Oregon FBLA-PBL calendar of events.

Procedure

A selection committee will review information according to stated criteria, with emphasis being given to that administrator who:

- ▽ Has a deep commitment to FBLA and the members.
- ▽ Is a current member of the FBLA-PBL Professional Division.
- ▽ Actively promotes interaction of FBLA activities with all business teachers and throughout high school courses and departments.
- ▽ Supports business and career technical education through involvement and leadership in other activities.
- ▽ Serves as a role model, mentor, and champion of member and adviser success.
- ▽ Supports opportunities for members to participate in FBLA activities beyond the local level.
